**PREPARED FOR TOOL FALL PROTECTION**

**Luna**  
TOOLS

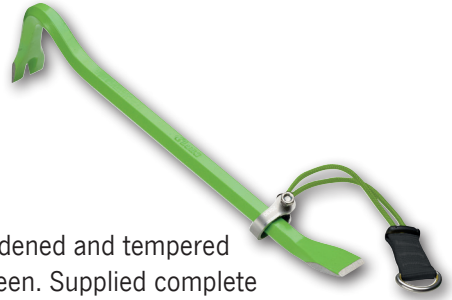

- ▶ Made of high alloy steel for tough conditions
- ▶ Thinly grounded claw and chisel, easy to use between moldings and latches
- ▶ Tool fall protected for working at heights

Wrecking bar made of high alloy octagonal chrome vanadium steel. Thin, ground surfaces on both claws and a chisel end to facilitate breaking, nail extraction and to reduce break marks on the surface. Supplied complete with fixing components for tool fall protection AISI 316. Painted green.

ITEM NO	DESCRIPTION	LENGTH	WIDTH	WEIGHT
270870108	Wrecking bar 300P	300 mm	76 mm	0,49 kg
270870207	Wrecking bar 500P	500 mm	116 mm	1,02 kg
270870306	Wrecking bar 625P	625 mm	116 mm	1,25 kg
270870405	Wrecking bar 710P	710 mm	127 mm	1,81 kg
270870504	Wrecking bar 900P	900 mm	127 mm	2,7 kg

- ▶ Grounded claw and chisel
- ▶ Tool fall protected for working at heights

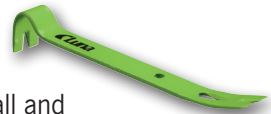

Wrecking bar made of hexagonal steel. Hardened and tempered for good elasticity and function. Painted green. Supplied complete with fixing components for tool fall protection AISI 316.

ITEM NO	DESCRIPTION	LENGTH	WIDTH	WEIGHT
271480105	Wrecking bar 400E	400 mm	90 mm	0,76 kg
271480204	Wrecking bar 500E	500 mm	95 mm	0,91 kg
271480303	Wrecking bar 700E	700 mm	100 mm	1,66 kg

- ▶ Thinly grounded for precision work
- ▶ Prepared for tool fall protection

### TIP!

- To prepare for tool fall protection, supplement with Lunas wireloop item no 276830106.

Wrecking bar, mini model. Perfect for breaking off small and thin strips, small nails, etc.

ITEM NO	DESCRIPTION	LENGTH	WIDTH	WEIGHT
270880107	Wrecking bar Mini	190 mm	30 mm	0,086 kg

**TIP!**

- To prepare for tool fall protection, supplement with Lunas U-attachment item no 264421801.

- ▶ Forged in one piece which maximizes the strength
- ▶ Well balanced for maximal power
- ▶ Prepared for tool fall protection

Steel pry bar, hardened and tempered. Square head and hexagonal shaft.

ITEM NO	DESCRIPTION	LENGTH	WIDTH	WEIGHT
270900103	Pry bar 1350	1350 mm	28 mm	6 kg
270900202	Pry bar 1500	1500 mm	30 mm	7 kg
